

REX MOORE & COMPANY ELECTRICAL CONTRACTORS & ENGINEERS

**REX MOORE**  
ELECTRICAL CONTRACTORS & ENGINEERS

**R**ex Moore's office and commercial buildings incorporate flexibility into your project's design. Our coordination, planning and attention to detail ensure that future electrical and telecommunication modifications will cause the least amount of disruption to the existing structure.

Rex Moore balances energy efficiency and cost-effective solutions while providing the most effective use of your facility. We ensure that the latest lighting, lighting control, telecommunications and harmonic mitigation products are incorporated into your project.

Our office and commercial experience includes:

- High-rise buildings
- Commercial office buildings
- Financial Institutions
- State and Federal facilities
- Hotels/motels
- Community centers
- Recreational facilities
- Schools
