

Rex Moore Electrical Contractors & Engineers was founded in 1922 as an electrical service and maintenance contractor. Although Rex Moore has branched into the market of building new facilities, we have never lost our focus of providing long-term service and maintenance on a personalized level.

With one of the largest fleets of fully equipped service vans in the industry, and four locations throughout California with established service departments, we are ready to take care of your emergency or routine electrical and telecommunication needs.

Rex Moore's service and maintenance departments offer:

- 24-hour emergency service
- 57+ fully equipped service vans
- Scheduled maintenance programs
- Extended warranty programs
- Personalized service & maintenance agreements with competitive rates
- Corporate maintenance agreements
- Telecommunications services
- Large crew of skilled & trained technicians
- Fully stocked warehouses statewide
- 24-hour statewide material vendor support
- Infrared testing
- Convenient Electronic Payment Options

When you work with Rex Moore, you build a lifelong relationship where your needs are our focus.
