REX
MOORE
ELECTRICAL CONTRACTORS & ENGINEERS

Retail projects demand innovative and cost-saving solutions in order to compete in today's market. Rex Moore gives you the best value by developing cost-effective solutions. Guided by our years of experience, we create the aesthetically pleasing environment you are looking for with functional design.

Our projects include shopping centers, factory outlet stores, regional malls, warehouse stores, shopping malls and high-end department stores. With our experience and innovative solutions, we can create any type of buying atmosphere you envision.
